We do not have responsibility with copywright of this book.

In this tale of international political intrigue and duplicity, Catwoman is captured by a secret government organization and blackmailed into committing an impossible robbery. Caught in a no-win situation, the infamous feline burglar must steal an ancient relic of a small European country or suffer the detonation of a cyanide capsule that has been implanted in her arm. Realizing success will lead to her termination by her puppet masters, Catwoman uses both her ingenuity to turn the tables against the government agency.
