Are You Training for Ironman?

- * Are you training for an Ironman triathlon - 70.3 or 140.6?
- * Do you want to improve without changing your training plan?
- * Are you worried about injury, nutrition or motivation?

It can be confusing and daunting to read through all the latest nutrition and physiological studies. You need to be putting in the hours training not reading blogs.

That's why multiple Ironman finisher, ex pro-cyclist and coach Brett Lee Scot wrote "Ironman Triathlon Hacks" - to condense the latest research, tips and tricks into an easy-to-read guide.

Become a Better Ironman

Ironman Triathlon Hacks is a guide to improve your Ironman fitness, speed and conditioning.

Coach Brett designed the guide to compliment your existing Ironman training. Use this "How To" guide to optimize your training, address your weak points and tweak your fitness during the season. Learn more than 40 tips and techniques overlooked by most training manuals or plans.

Whether you are thinking about a future race or heading into your taper weeks, you will find advice in this guide that will make you a better Ironman.
