Jimmy Harris may not be the swiftest lawyer on the Central Coast. He would tell you so himself. Though, he might be the funniest. And maybe Janet Mason is not the ideal client. But she's a star. Desperate Shop Girls was the hottest show on television for the past five years. Now the hottest show is in the quaint seaside town of San Buenasara since she retained Jimmy to sue Guy Mason, the big developer, for divorce. I mean what with the mob and everything. Janet's staying up at Franklin Farms, a Guy Mason development. It's a killer project that Janet wants Jimmy to derail. Who knows why? Our boy's in way over his head. And developments could sink him. If he doesn't get shot first. Jeez.
